Dear Parent/Carer

BOOK SWAP STALL

As part of our efforts to encourage children to develop a lifelong interest in books and reading, we are hoping to set up a book “Swap Shop”. This would involve children bringing books into school that they have read and enjoyed in order to swap them for books that other children have donated. We are hoping to have 2 stalls, one for KS1 and another for KS2. The stalls will be open once per week and will be run by children from Y5.

In order to get the book stalls started, we will need a bank of books. Therefore, we are asking you to start donating books which are in a good, clean condition; your child only needs to bring one book at a time. When we have a suitable number of books, the stalls will open.

If your child brings a book to donate to the stall, the class teacher will record their name so that when the stall opens they will be able to come along and choose a book.

Thank you for your support.

Yours sincerely

Mrs M Senior
Deputy Headteacher
